We offer the Universal Government 15 hours childcare entitlement for all 3 to 4 year-olds. We will apply for the funding on your child's behalf before the start of term and request a Birth Certificate. Government funding only covers the cost of childcare provision and delivery of EYFS. It does not include the other extras we offer which enhance our children's experiences and learning. Non-payment of these charges have an operational and financial impact on our nursery. A list of these non-mandatory extras are available.

Two Year Old Funding for Working Parents
